HILLERS PROVIDING ENVIRONMENTAL EDUCATION: The annual membership picnic at the Schuylkill Center for Environmental Education in upper Roxborough was held on Saturday, July 12. Seen here are (from left) SCEE Educator, Barbara Baumgartner of Chestnut Hill with other Chestnut Hill residents, Bea and Dan Kelly, and Dennis Burton, SCEE Executive Director and a resident of Roxborough. Burton and Kelly were jammin' with their guitars and entertaining guests with a few songs (although they weren't hired to entertain).
