

PACKET FRONT

Packet Flap
(3.25" x .5")

Fold line

The flap folds and glues to the top area of the back side of the packet.

Green dash line indicates the BLEED AREA of the packet. If your art goes all the way to the edge of the packet, be sure to extend the artwork to the **Green dash** line.

Either bleed your background to 1/16" beyond the top edge fold line onto the flap, or 1/8" beyond the trim edge of the flap

Please keep important content (*text*) inside the **orange dash** line (1/8" from packet edge).

Blue solid line indicates the live area or edge of the seed packet. (3.25" x 4.5")
