Note: Camp Schuylkill is very grateful and excited to welcome another group of teen volunteers for the 2024 Camp Season. As our camp thrives with the help of CITs who enjoy being in nature, take the initiative to assist their counselors and other team members, actively engage with our campers, and participate in all aspects of Camp, please consider your teen's personality and interests to the expectations of the CIT Program before completing the application to ensure this is the best choice.

To apply: Please submit an application through our [Google Form](#). This includes a one-page essay that addresses the topics below:

1. Why you would want to volunteer as a CIT with the Schuylkill Center
2. Any experience you have working with children
3. What you enjoy most about nature

The application closing date is **March 31st, 2024.**

* As there are a limited number of positions and an overwhelming number of applications, please note that completing an application does not guarantee a CIT position.
